

ECOQUATIER - NYON

2022 | Nyon, Switzerland | Nyon Municipality, CODHA

MALENE BACH

Facade curtains and colours for Ecoquartier du Stand in Nyon. The total colourpalette for the site also has a wayfinding function. All facades and staircases in the buildings have individual colour palettes that carefully weave or blend into the other - and into the surrounding landscape.

Collaboration with Farra Zoumboulakis.

Textiles developed with Fie Bjørch in collaboration with Kvadrat.
